

Route driver

Planet Aid is hiring route drivers to collect donations from drop-off bins in the Kansas City area.

Planet Aid is a non-profit organization raising funds for community development projects in Africa, India and Latin America through the collection, handling and resale of used clothing. We collect the clothes through the placement of drop-off bins in outdoor areas easily accessible to the general public. The bins are typically placed at supermarkets, convenience stores, gas stations, shopping centers, churches, schools or similar places where many people have access.

Minimum qualification to apply:

- Valid driver's license
- DOT medical card
- Clean driving record
- Ability to lift 50lbs regularly
- Dependable and great time management
- CDL preferred

Planet Aid offers subsidized medical, dental, 401k program, paid vacation and sick time after 90 days of employment.
Starting pay is \$14 per hour. Salary review after 1-year employment.

Please email Cori @ CHarris@planetaid.org your resume or stop by our location during business hours for an application form.
