To the Planet Aid Team,

3/15/13

We want to express our thanks in support of our Outreach Center in Fairport called the Free Store. We agree wholeheartedly with your mission and passion for others and your hard work in helping those in need. We will continue to spread the word about Planet Aid and remind others to give to this worthy cause. We will add your logo to our Facebook site as we continue in partnership with other area nonprofits who are in support of our community programs.

Thank you again,
Dave and Holly England
